death. In 1907 he collected reprints in an envelope which he inscribed with the title 'Essays in Radical Empiricism'; and he also had duplicate sets of these reprints bound, under the same title, and deposited for the use of

### **Essays in Radical Empiricism - Brock University**

Religion and Radical Empiricism offers a challenging account of how and why reflection on religious truth-claims must seek justification of those claims finally in terms of empirical criteria. Ranging through many of the major questions in philosophy of religion, the author weaves together a study of the varieties of empiricism in all its historical forms from Hume to Quine.
